Dear Sheila,

I would like to commend you for a job well done. On 8/1/2013, I received a call from a very distraught client. We had just put their home under contract and made an offer on their dream home. With both offers accepted, but on a tight time frame, it was in the hands of their lender. "WHAT!!! They can't do it?" said I. As I calmly spoke to her and she slowly relaxed, I referred her to you. Although very nervous, they both met with you on 8/3/2013 and started the transaction over. The next 10 days went very smooth...everyone did their job...and on day 12 the title company had the documents needed to close the loan. The clients moved into their dream home on 8/24/2013. I have worked with you successfully several times in the past few years, you even closed my own home loan, but this was the most amazing process I have ever experienced. I look forward to working with you in the future.

Thanks Again,

Lawana Smith
