

May 23rd, 2010

To Future Clients of Sheila Roberts,

I have worked with Sheila for the past 8+ years and have been very happy with her service. She is very knowledgeable, energetic, and stays on top of her transactions. I would not hesitate to refer my Clients, Family & Friends to Sheila (in fact I have) for loans.

Please do not hesitate to contact me at the numbers listed below if you have any questions.
